

Melksham Events & Culture Survey

We are working on behalf of Melksham Town Council to create a new Cultural Strategy for the town.

We'd love to **hear your thoughts** on the events that already happen in Melksham, those you'd like to see and even what kinds of events you'd like to put on yourself. If you could spare us five minutes of your time, we'd be very grateful.

The strategy will support the delivery of future events and cultural activities that local people want.

It will help coordinate the programming of events and activities and ensure local people can be a part of not only attending but also choosing what events happen.

The aim is to make Melksham an even more special place to live, work and play!
